UTKARSH
WATER TANKS

U Are Our Commitment

'Utkarsh', or excellence, is more than just our name; it is the passion that powers all we do.

In every product and service, our commitment is to deliver the highest quality to the customer.

Our solutions are customized to best serve your specific requirements, and to meet global standards of quality, because the philosophy of 'customer is king' is the very foundation of our business. Which is why, you can always count on us to provide exactly what you need, on time, every time.

After all, Utkarsh always begins with U.

Introducing UTKARSH Water Tanks - Redefining Water Storage with Unmatched Quality and Innovation. Crafted with 100% virgin and food-grade materials, our tanks ensure pure and safe water storage. Featuring a specially engineered six-shoulder design for superior compressive strength, they are resistant to fungus, micro-bacterial growth, algae, and corrosion. With 100% UV protection, our tanks offer durability in all weather conditions. Easy installation is guaranteed with threaded lids for added safety. Manufactured using the roto-moulding process, our tanks meet rigorous Indian and international standards, making them the epitome of reliability. Experience the excellence of UTKARSH Water Tanks - where quality and innovation meet for unparalleled water storage.

UJJAL

3 LAYER WATER TANK

UNIQUE FEATURES AND BENEFITS

- 100% VIRGIN AND FOOD GRADE MATERIAL
- HIGH STRENGTH AND DURABILITY
- ANTI-FUNGUS, ANTI MICRO-BACTERIAL, ANTI-ALGAE, CORROSION RESISTANCE, ODOUR RESISTANCE
- EASY TO INSTALL
- THREADED LID (SAFETY FROM HEAVY WINDS, ANIMALS & BIRDS)
- MULTI-RIBBED DESIGN: FOR LONG LASTING STRENGTH
- WORLD-CLASS LOOK AND DESIGN
- ROTO MOULDED MANUFACTURING PROCESS: IT GIVES FLEXIBILITY WHICH TAKES CARE OF CYCLICAL EXPANSION & CONTRACTION IN OUTDOOR WEATHER
- TESTED AS PER INDIAN AND INTERNATIONAL STANDARDS

U-SAFE

4 LAYER WATER TANK

UNIQUE FEATURES AND BENEFITS

- 100% VIRGIN AND FOOD GRADE MATERIAL
- INTEGRATING AN ADDED LAYER OF PROTECTION, ENSURING EXCEPTIONAL STRENGTH AND DURABILITY.
- ANTI-FUNGUS, ANTI MICRO-BACTERIAL, ANTI-ALGAE, CORROSION RESISTANCE, ODOUR RESISTANCE
- THREADED LID (SAFETY FROM HEAVY WINDS, ANIMALS & BIRDS)
- MULTI-RIBBED DESIGN: FOR LONG LASTING STRENGTH
- WORLD-CLASS LOOK AND DESIGN
- ROTO MOULDED MANUFACTURING PROCESS: IT GIVES FLEXIBILITY WHICH TAKES CARE OF CYCLICAL EXPANSION & CONTRACTION IN OUTDOOR WEATHER
- TESTED AS PER INDIAN AND INTERNATIONAL STANDARDS

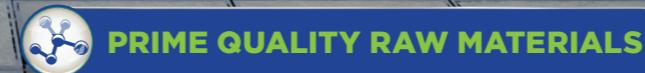

AVAILABLE IN:

-  AQUA GREEN
-  TRUE BLUE
-  BRILLIANT WHITE

AVAILABLE IN:

-  AQUA GREEN
-  TRUE BLUE
-  BRILLIANT WHITE

U-SAFE PLUS

4 LAYER WATER TANK WITH FOAM

UNIQUE FEATURES AND BENEFITS

- 100% VIRGIN AND FOOD GRADE MATERIAL
- SPECIALLY SIX SHOULDER DESIGN: PROVIDES SUPERIOR COMPRESSIVE STRENGTH
- THE INNER ANTI-BACTERIAL LAYER IS INFUSED WITH MICROBAN ANTI-BACTERIAL TECHNOLOGY WHICH HELPS TO ELIMINATE BACTERIA BY 99.9%
- THE INTERMITTENT FOAM LAYER KEEPS THE WATER INSIDE THE TANK SAFE FROM EXTERNAL TEMPERATURE VARIATION AND KEEPS IT COOL EVEN UNDER EXTREME HEATING CONDITIONS.
- INTERMITTENT BLACK COLOUR UV SUN SHIELD LAYER PROTECTS THE TANK FROM HARMFUL UV RAYS.
- MULTI-RIBBED DESIGN: FOR LONG LASTING STRENGTH
- ROTO MOULDED MANUFACTURING PROCESS: IT GIVES FLEXIBILITY WHICH TAKES CARE OF CYCLICAL EXPANSION & CONTRACTION IN OUTDOOR WEATHER
- TESTED AS PER INDIAN AND INTERNATIONAL STANDARDS

AVAILABLE IN:

-  AQUA GREEN
-  TRUE BLUE
-  BRILLIANT WHITE
